

A private jet is parked on a runway at sunset. The sky is filled with dramatic, orange and grey clouds. The jet is white with dark accents and is positioned in the lower half of the frame. The text 'THE JET CLUB' is prominently displayed in the upper half, with a stylized jet icon above the word 'JET'. Below it, the tagline 'AVIATION REDEFINED' is written in a smaller font, followed by a horizontal line and the text 'OUR PORTFOLIO OF SERVICES'.

A NOTE FROM THE FOUNDER

Welcome aboard.

The Jet Club began with a simple conviction — that the way a journey is designed matters as much as the destination itself. After years spent in luxury travel and hospitality, I saw the same story repeat: exceptional properties and exquisite experiences, quietly let down by the moments in between.

I created The Jet Club to close that gap. To be the trusted hand behind every arrival, every reservation and every private request — long before a guest lands, and well after they return home.

Our philosophy is quiet, considered and deeply personal. Every itinerary is written for one client. Every partner is chosen with care. Every detail earns its place.

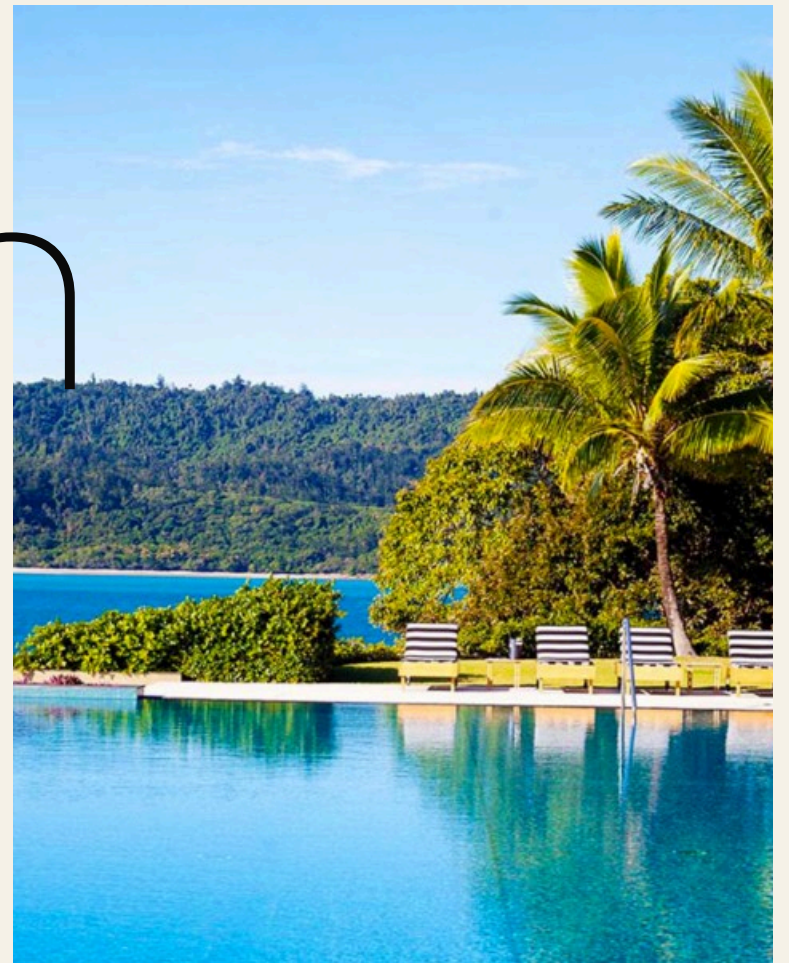

Simon

FOUNDER · THE JET CLUB

ABOUT THE JET CLUB

More than *travel.*

WHO WE ARE

The Jet Club is a luxury concierge, travel design and experience management house. We create bespoke journeys and lifestyle moments for a small, discerning clientele — and for the partners who host them.

Every itinerary is written from a blank page. Every supplier is one we know personally. Every detail is engineered to feel effortless.

WHAT SETS US APART

- i. Personal service, delivered by one point of contact from first note to safe return.
- ii. Meticulous attention to detail — the difference between a stay and a story.
- iii. A trusted supplier network built over years, not bought from a database.
- iv. End-to-end concierge support before, during and after every journey.

OUR PURPOSE

*To enhance every
client's stay — before,
during, and after travel.*

Tailor-made *itineraries.*

Every itinerary begins with a conversation, not a catalogue. We design domestic and international journeys around the tempo of your travel — the rhythm of a family holiday, the intimacy of a romantic escape, the choreography of a private group.

Behind every booking sits a trusted network cultivated over years, and one point of contact who owns every detail.

IN PRACTICE

Board days, done in a day.

Sydney → Melbourne → Brisbane on the same tail. Home for dinner.

Client hosting, without the compromise.

Ground-to-ground service — chauffeur, tarmac transfer, back the same way.

One point of contact.

Your account lead handles crew, catering, ground, changes.

BROKERAGE · AIRCRAFT SALES

Buying, selling, *sourced right.*

Beyond charter, we help our clients acquire and divest aircraft — quietly, efficiently, and always on their terms. Whether you're buying your first jet or refreshing the fleet, we act as your independent broker: no manufacturer bias, no operator agenda, just a clean-sheet view of what fits.

01

Buy

Requirements brief, market scan, off-market sourcing, pre-purchase inspection, technical acceptance and closing. We work light aircraft through heavy jets — and helicopters where the mission fits.

02

Sell

Valuation, quiet marketing to a qualified buyer pool, professional listing management, buyer vetting and contract negotiation — all handled with discretion. Your aircraft, your terms.

03

Source

Off-market listings that never touch the public trade press. Through our global broker network we access aircraft before they're advertised — and often at terms that reflect that quiet channel.

- v. Seamless guest support, before, during and after stay.

WORKING TOGETHER · PARTNERSHIP OPPORTUNITIES

Two names, *one standard.*

We work with a small, deliberate circle of partners — chosen because their standard of care matches ours. Two current partnerships tell the story of how The Jet Club fits alongside a great business without changing what makes it great.

CURRENT PARTNER · MOTORSPORT

Murphy Racing.

A working partnership with the Murphy Racing GT4 programme — a family-run team campaigning the #58 Mercedes-AMG GT4 in the Monochrome GT4 Australia Championship. Murphy Racing opens the paddock; The Jet Club opens the sky. Together we deliver a motorsport weekend that begins at the client's front door and ends with a garage handshake — a round at Phillip Island, The Bend, Queensland Raceway, Darwin, Sydney or Sandown.

CURRENT PARTNER · LUXURY RESIDENCES

Mirage Stays.

Signature residences along the Western Australian coast — Cottesloe, Perth CBD, Margaret River — paired with private aviation and concierge from The Jet Club. Guests of Mirage Stays arrive rested, land close, and have every next moment quietly arranged. One booking, two brands, one seamless experience.

EXCLUSIVE OPPORTUNITIES · EMPTY LEGS

Private jet *empty legs.*

THE AIRCRAFT

THE CABIN

WHAT IS AN EMPTY LEG

When a private jet is booked for a one-way charter, its return flight is often empty — the aircraft simply needs to reposition for its next booking. Rather than fly it home unused, we release those legs to our members at a fraction of the standard charter rate.

The same aircraft. The same operator standards. The same on-board experience — at a significantly discounted rate. Coverage spans Sydney, Melbourne, Brisbane, Perth and beyond.

MEMBERSHIP · BEHIND THE DOORS

Behind *the velvet rope.*

THE JET CLUB MEMBER

For clients who don't want the public event.

WHAT MEMBERSHIP OPENS

NON-PUBLIC EVENTS

Behind-the-scenes access.

Private car launches, boat unveilings, tech previews and by-invitation industry evenings that never touch the public diary.

Winemaker-hosted flights, museum releases and cellars that don't take walk-ins — Barossa, Margaret River, Yarra, Burgundy.

GALLERIES & CULTURE

After-hours previews.

PRIORITY CHARTER

Guaranteed availability.

Priority aircraft access on your routes, preferred pricing, and first look at every empty leg before public listing.

BESPOKE CONCIERGE

One number, any request.

IN THEIR OWN WORDS

In their own words.

“
Simon and his team turned a last-minute anniversary weekend into the trip of a lifetime — a Gulfstream out of Sydney, a villa on Hamilton Island, and a private yacht for Whitehaven that already had my wife's favourite wine on ice. Nothing needed asking twice.

JAMES M. · PRIVATE CLIENT · SYDNEY

“
We use The Jet Club for our executive team's inter-city travel and every offsite. Bankstown to Melbourne, Sydney to the Sunshine Coast — one call, one point of contact, done. It has genuinely changed how we plan our week.
